

Worksite Tobacco-Free Outdoor Policy

The Surgeon General has declared that there is no safe level of exposure to secondhand smoke. It can trigger allergies, asthma attacks and other health problems. In order to promote a healthier work environment, we are implementing the following:

- ____ restrict smoking (including vaping) within ____ feet of building entryway
- ____ prohibit smoking (including vaping) on all grounds
- ____ prohibit all tobacco use on grounds
- ____ other _____

Business/Organization _____ Phone _____

Address _____

City _____ State _____ Zip Code _____
